

Getting a test

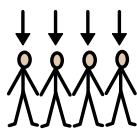

My

school

wants

everyone

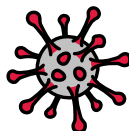

to be safe.

I will

get a test

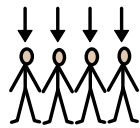

for coronavirus.

Tests

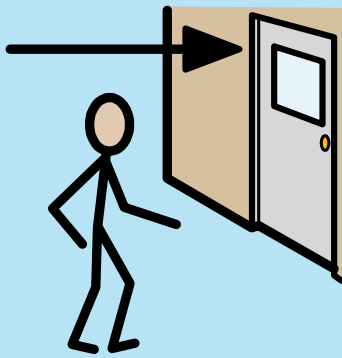

help

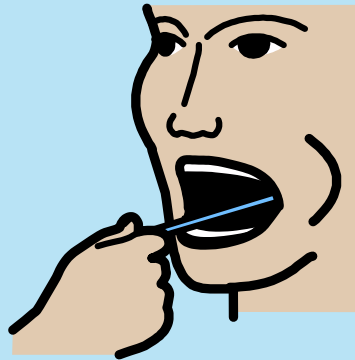

everyone

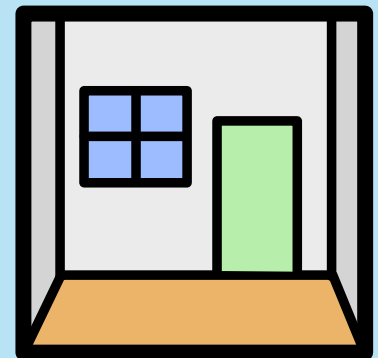

to be safe.

In

the test

room

I will

wash

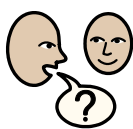

and

dry my hands.

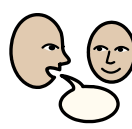

I can

ask questions

and

say

if I feel worried.

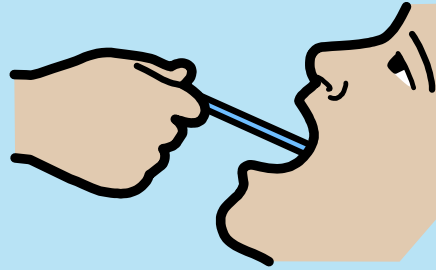

Adults

will wear

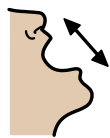

a face mask

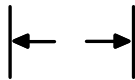

My mouth swab

I will

open my mouth

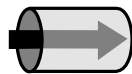

wide.

The adult

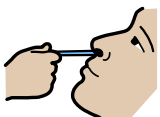

will swab

inside

my mouth.

It is

very quick

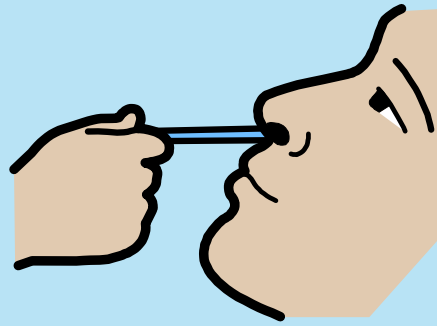

and

might

tickle.

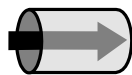

Nose swab

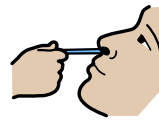

An adult

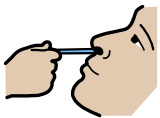

will swab

inside

my nose.

It is

very quick

and

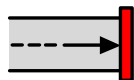

might

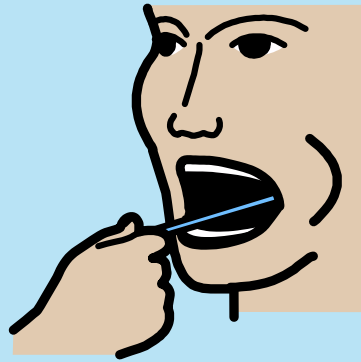

tickle.

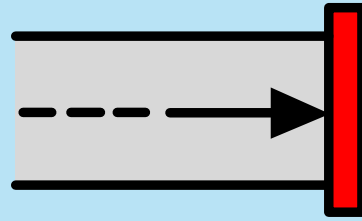

My test

is finished.

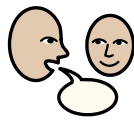

My test

is finished

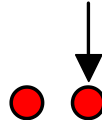

An adult

will say if

I need

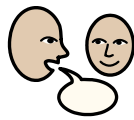

another

test.

An adult

will say if

I can

go to

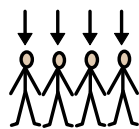

my classroom.

I have

helped

everyone

to be safe.
