

Autism Understanding

(For children & young people ages 7 - 19)

Autism Understanding & Support

The session covers:

- Hidden & visible disabilities
- The four areas of difference for those on the autism spectrum
 - Communication
 - Social skills
 - Thought processes
 - Sensory differences
- How I support:
 - Language & communication
 - Social support
 - Empathy & challenging prejudice
 - Being an effective member of society (e.g. upstanding (KS4), speaking up (KS3))
- Questions & answers (typically things like 'cures', vaccines, inheritability etc)

Benefits

- ✓ Your students will better understand the autism spectrum
- ✓ You will harness the student power in supporting those on the spectrum.
- ✓ Your students will be more able to support others who are on the spectrum. This will support a more inclusive school and better outcomes for students on the spectrum.
- ✓ Your school will be further able to demonstrate reasonable adjustments for individuals on the autism spectrum.

Who is this course for?

- ✓ It is delivered to be appropriate for ages 7 - 19

Length

This is a one or two lesson programme. Several classes could be covered in a full day or over a number of days (e.g. as part of a special week of activities)

Training Costs

- Full day £235
- Half day £165
- Full week £985
