

Autism for Special School Staff

(Primary and/or Secondary)

Autism for Special Schools

Training can be tailored to meet your school needs:

- Essential information can be useful if you have a new cohort of students who are on the autism spectrum, or if you have a group of new staff who have joined you from a non-specialist settings.
- Alternatively, we can use our expertise to tailor training to your current needs, for example managing behaviour of those on the spectrum or autism-friendly culture.

The Essential Info session covers

- A brief history of autism
- The four areas of difference for those on the autism spectrum
 - Communication
 - Social skills
 - Thought processes
 - Sensory differences
- Classroom strategies for managing students on the autism spectrum, including:
 - Language & Communication
 - Structure & routines
 - Social skills
 - Managing behaviour
- Outcomes for students on the autism spectrum

Benefits

- ✓ Your school will have better outcomes for those on the autism spectrum.
- ✓ Your school will be more inclusive of all.

Who is this course for?

- ✓ School leaders
