

Ariana Grande: One Last Time

Intro: Bm A D Dsus4-D G Asus4-A

Repeats same 8 chord pattern throughout

Verse 1

I was a liar
I gave into the fire
I know I should've fought it
At least I'm being honest

Feel like a failure
Cause I know that I failed you
I should've done you better
Cause you don't want a liar

Pre Chorus

And I know, and I know, and I know
She gives you everything but boy I couldn't give it
to you
And I know, and I know, and I know
That you got everything but I got nothing here
without you

Chorus

So one last time
I need to be the one who takes you home

One more time
I promise after that, I'll let you go

Baby I don't care if you got her in your heart
All I really care is you wake up in my arms

One last time
I need to be the one who takes you home

Verse 2

I don't deserve it
I know I don't deserve it
But stay with me a minute
I'll swear I'll make it worth it

Can't you forgive me
At least just temporarily
I know that this is my fault
I should have been more careful

Pre-Chorus

And I know, and I know, and I know
She gives you everything but boy I couldn't give it
to you
And I know, and I know, and I know
That you got everything but I got nothing here
without you

Chorus

So one last time
I need to be the one who takes you home

One more time
I promise after that, I'll let you go

Baby I don't care if you got her in your heart
All I really care is you wake up in my arms

One last time
I need to be the one who takes you home
