Capo 7

### Verse 1

I get such a thrill  
My heart skips a beat,  
Please tell me baby  
Cause deep down inside

When you look in my eyes  
Girl I feel so alive  
If all this is true  
All I wanted was you

### Chorus

Oh, makes me want to dance  
Oh, I look into your eyes

Oh, it's a new romance  
Oh, best years of our lives!

### Verse 2

When we first met  
The things that would happen  
So let's be together  
We'll go out so thankful

I could hardly believe  
That we could achieve  
For all of our time  
That you are still mine

### Chorus

Oh, makes me want to dance  
Oh, I look into your eyes

Oh, it's a new romance  
Oh, best years of our lives!

### Verse 3

My world's a better place  
This love is so real  
Come on and say yeah!  
Cause through the years

Cause I know you're mine  
And it's no surprise  
I got a song... Yeah!  
I'll be right by your side

### Chorus

Oh, makes me want to dance  
Oh, I look into your eyes

Oh, it's a new romance  
Oh, best years of our lives!
