

Drivers License, Olivia Rodrigo

Capo 2

Verse 1

I got my driver's license last week

Just like we always talked about
'Cause you were so excited for me

To finally drive up to your house
But today I drove through the suburbs

G

Crying 'cause you weren't around

Verse 2

G

And you're probably with that blonde girl
Who always made me doubt

Em

She's so much older than me
She's everything I'm insecure about

C

Yeah, today I drove through the suburbs

G

'Cause how could I ever love someone else?

C

And I know we weren't perfect

G

but I've never felt this way for no one

C

And I just can't imagine how you could be so okay

G

now that I'm gone

Em D G Bm7 C
Guess you didn't mean what you wrote in that song about me

C6 D G
'Cause you said forever, now I drive alone past your street

I kinda feel sorry for them
'Cause they'll never know you the way that I do, yeah
