## Ed Sheeran

G

V1  
I found a love for me

Darling, just dive right in, and follow my lead

Well, I found a girl beautiful and sweet

I never knew you were the someone waiting for me

Pre-Chorus  
Cause we were just kids when we fell in love

Not knowing what it was, I will not give you up this ti-ime

Darling just kiss me slow, your heart is all I own

And in your eyes you're holding mine

Chorus  
**Baby, I'm dancing in the dark, with you between my arms**

**Barefoot on the grass, listening to our favourite song**

**When you said you looked a mess, I whispered underneath my breath**

**But you heard it, darling you look perfect tonight**
